## RETURNING STUDENTS

If your child is continuing enrollment in the same class, please be sure your child brings his/her same therapy binder to class, but please replenish any of the above materials if quantities are low, especially sheet protectors. If the binder is falling apart, not working properly, or over-stuffed, this would be a great time to replace it and size-up! If enrolling in a new or additional class, the above materials will be needed (in a separate binder).
